Chemical & Biological Product(s) Shipment From UML Approval Form

This form is for the one time approval for shipment of chemical or biological product(s) that have been purchased from funding associated with the University of Massachusetts Lowell, to an off-site (non-UMass Lowell) agency location by:

UMass Lowell Sender (Name): _____

Department Affiliation: _____

Building and Room Number: _____

This form is intended to indemnify the University of Massachusetts Lowell from all responsibilities regarding the proper use, storage and disposal of the product(s) listed below. It is incumbent upon the receiving agency to assure that all applicable regulations and safety practices are in place.

Product(s) to be shipped to offsite agency/institution:

Description: _____

Amount: _____

Receiving Institution (Name): _____

Address: _____

Telephone Number: _____

I (Receiver's Name): _____ (Title): _____

(Receiving Institution): _____ on this (Date): _____ have read the information herein and have the authority to sign for all responsibilities and liabilities (implied and expressed) regarding acceptance, safe use and compliant disposal of the product(s) listed above.

Receiver's (Signature)

Date:

Please return this document to Kathi_Lyon@uml.edu, Glenn_MacDonald@uml.edu or Carl_Shreder@uml.edu for chemical products and to Ruth_Medina@uml.edu for all biological materials. For further information call (978)934-2618.
